

# Proposals at Melbourne Planetarium

**They say that great loves are written in the stars. Now, yours can be too, with a personalised marriage proposal at Melbourne Planetarium.**

Enjoy two hours of exclusive access to the Planetarium theatre and its soaring 16-metre dome. Take romance to new heights and pop that all-important question with your bespoke declaration of love woven across the sky at just the right time. Then, sit back and bask in this moment of a lifetime with an intimate 45-minute Planetarium show – just for the two of you.

Please note that custom animations require a minimum of six weeks' notice. Ahead of the day, we will work with you to schedule a site visit to demonstrate animation options and discuss your needs.
