GALACTIC CAFE

MAINS

CANTO BIGHT BURGER\$24

A high-stakes classic from the galaxy's most lavish casino city: juicy beef patty, melting cheddar, galactic sauce, crisp lettuce, fresh tomato, and pickles on a toasted sesame bun. Served with a sidekick duo of slaw and crisps.

SORGAN BURGER\$24

A cosmic creation of chickpea and kale nestled in a toasted potato bun, stacked with greens, creamy avocado, and tangy pickles. It's a vegan delight, with a gluten-free option available for interstellar travellers. Served with a sidekick duo of slaw and crisps. (vgn)

NABOO GARDEN VERMICELLI\$26

A refreshing plate from the peaceful gardens of Naboo—vermicelli noodles topped with Yobshrimp prawns, fresh herbs, crispy shallots, toasted peanuts, and a splash of tangy Nuoc Cham (GF).

OUTER RIM CHICKEN KATSU\$26

Panko-crusted chicken straight from the fringes of the galaxy, paired with a zesty fennel and apple slaw finished with a dill emulsion that brings harmony to your taste buds.

ASTEROID FIELDS\$12

Golden sweet potato wedges, crisped to perfection, orbit twin moons of guacamole and sour cream—an irresistible constellation of flavour.

DESSERTS

DEATH STAR BY CHOCOLATE\$18

A decadent weapon of dessert construction—layers of rich bitter chocolate parfait, Sith-dark sponge, and crushed Oreo meteorites. Beware: the Dark Side has never been sweeter.

CHEWIE COOKIE\$6

A rugged, gingerbread cookie baked to golden-brown perfection with a touch of spice. It's a snack sturdy enough for a smuggler and sweet enough for a co-pilot. Best enjoyed with a growl and a glass of Blue Milk.

GALACTIC CAFE

BEVERAGES

BLUE MILK\$5

Our classic chilled Blue Milk—made with butterfly pea powder and vanilla extract. Brings you back to the sands of Tatooine with every creamy sip.

BLUE MILK SLUSHIE\$14

A refreshing spin on a classic Outer Rim staple. Blended icy smooth with almond milk, vanilla, and a hint of butterfly pea flower for that unmistakable blue hue. Perfect for beating the heat of twin suns.

SPARK ETERNAL SLIPPER\$12

An elixir worthy of legends – this luminous blend of apple, celery, carrot, pineapple, orange, lemon and cucumber is the perfect refresher for those seeking balance in the galaxy.

TATOOINE SUNSET\$14

Watch twin suns set with this tropical fusion of orange and pineapple juice, zesty lime, grenadine, lite coconut cream, and a splash of diet dry ginger ale.

RIPPL STILL MINERAL WATER\$5

This pure still mineral water is the essential fuel for every Jedi, pilot and protocol droid. Calm, clear and perfect ready for interstellar adventures.

(Limited edition cans, one per customer)
