MAINS

MUSTAFAR BURGER\$24

Rule the galaxy with every bite of this juicy beef patty between a molten charcoal bun. Dressed with American cheddar, sliced tomatoes, crispy onions, pickles, Galaxy-class burger sauce, served with a sidekick duo of slaw and crisps.

SORGAN BURGER\$24

A cosmic creation of chickpea and kale nestled in a toasted green bun, stacked with crisp lettuce, creamy avocado, and tangy pickles. It's a vegan delight, with a gluten-free option available for all types of interstellar travellers. Served with a sidekick duo of slaw and crisps. (vgn)

DAGOBAH PRAWN SALAD\$26

Fresh-grilled prawns piled high with soba noodles, cool cucumber, green edamame pods, and chunks of avocado. Splashed with zesty yuzu and dusted with togarashi. This is the kind of meal that keeps an apprentice sharp after a long day training with a Jedi Master.

JAKKU POPCORN CHICKEN\$24

Embrace the dark side with these golden chicken bites complemented by a spicy-sweet Gochujang sauce. Topped with green "lightsabers" of spring onion, sprinkled with sesame and served with a cooling slaw to temper the desert-level heat.

ASTEROID FIELDS\$12

Crispy on the outside, fluffy on the inside, these golden sweet potato wedges shine as bright as Tatooine's twin suns. Served with tangy aioli on the side.

DESSERTS

DEATH STAR BY CHOCOLATE\$18

A decadent weapon of dessert construction - layers of rich, bitter chocolate parfait, Sith-dark sponge, and crushed Oreo meteorites complete this intergalactic treat. Beware: the dark side has never been sweeter.

GALACTIC COOKIESfrom \$6.50

A selection of cookies inspired by your favourite *Star Wars* heroes and villains, each bite is packed full of character! Perfect for Jedi, Sith and Droids alike, these sweet treats are best enjoyed with a glass of Blue Milk.
