# SCHOOL YARD BIRD SURVEY

How many different species did we see? .....

Things we could do to improve the diversity of birds at our school: .....

<p>Provide water for the birds</p> 	<p>Do we have water for birds to drink in the school yard?</p>	<p>Can we make this better?</p>
<p>Plant natives to provide extra food</p> 	<p>Do we have enough native flowering plants for birds to eat from?</p>	<p>Can we make this better?</p>
<p>Keep birds safe from predators</p> 	<p>Are local cats kept inside to protect local birds?</p>	<p>Can we make this better?</p>
