

# ***T. rex* is coming**

**Exclusive to Melbourne Museum**

Transform your corporate event into an unforgettable adventure.

**MUSEUMS  
VICTORIA**

“*Victoria the T. rex* is a monumental addition to our world-class exhibition lineup. As home to the largest palaeontological department in the country, including the most complete and finest Triceratops in the world, Museums Victoria presents extraordinary exhibits that inspire a deeper understanding of our planet’s history.”

# Victoria the *T. rex*

**Victoria the *T. rex* is a world-class, interactive exhibition starring the real fossil skeleton of a 66-million-year-old *Tyrannosaurus* named Victoria.**

Exclusive to Melbourne Museum from 28 June to 20 October 2024, *Victoria the T. rex* is the world's largest and most complete real *T. rex* fossil, and the most significant ever seen in Australia.

Through an interactive exhibition steeped in paleontological research, visitors will be transported 66 million years back in time to the age of the Cretaceous, when Victoria roamed the earth. Learn how a *T. rex* may have experienced smell and sight through multisensory installations that offer a glimpse into Victoria's world.
